General Information

Hawaii state identification cards with expiration dates between March 16, 2020, and October 4, 2021, are considered valid in Hawaii through October 4, 2021,* due to Gov. David Ige's latest Supplementary Emergency Proclamation that extends the COVID-19 emergency period through October 4, 2021. For more information, visit: <https://hidot.hawaii.gov/highways/faq/covid-19-id-faqs>.

**If this extension applies to you, print and keep an [extension letter](#) with your document issued by the City and County of Honolulu at all times as proof of eligibility for the automatic extension through October 4, 2021.*

To apply for, renew or replace a state ID, make an appointment to visit any of the city's [driver licensing centers](#), or to renew or replace a state ID at select [satellite city hall](#) locations: Downtown, Hawaii Kai, Pearlridge, or Windward City.

Permanent plastic driver's license and state IDs arrive in a plain white envelope. Please avoid mistaking the envelope for junk mail and throwing away your permanent plastic state ID. If your permanent card does not arrive after seven weeks, call: (808) 768-9128.
